the wide ranging portrayal of modern jewishness in artistic terms invites scrutiny into the relationship between creativity and the formation of jewish identity and into the complex issue of what makes a work of art uniquely jewish whether it is the provenance of the artist as in the case of popular israeli singer zehava ben the intention of the iconography as in ben shahn s antifascist paintings or the utopian ideals of the jewish palestine pavilion at the 1939 new york world s fair clearly no single formula for defining jewish art in the diaspora will suffice the art of being jewish in modern times is the first work to analyze modern jewry s engagement with the arts as a whole including music theater dance film museums architecture painting sculpture and more working with a broad conception of what counts as art the book asks the following questions what roles have commerce and politics played in shaping jewish artistic agendas who determines the jewishness of art and for what purposes what role has aesthetics played in reshaping religious traditions and rituals this richly illustrated volume illuminates how the arts have helped jews confront the various

challenges of modernity including cultural adaptation and self preservation economic diversification and ritual transformation there truly is an art to being jewish in the modern world or alternatively an art to being modern in the jewish world and this collection fully captures its range diversity and historical significance
